THIS AFTERNOON'S FRESH LEADS

Hello, Louis! We have four leads for your review this afternoon. **They will be matched at 5pm ET.** Click the links below to read the full profile, including detailed interview notes.

Lead #301670 [VIEW FULL PROFILE →](#)

This morning, Russ Davidson spoke with a heating, A/C and ventilation services company in Kentucky who needs ERP including: inventory management, job cost, CRM, work order management, GL, AP, and AR modules.

“This is an HVAC company that sells and installs HVAC products for commercial and residential. They mostly deal with residential. They also have a full service department and many technicians who will be out handling repair. This contact is the owner of the business who desires a fully integrated solution for their accounting (AP, AR, GL) needs...” [\(MORE\)](#)

Lead #301716 [VIEW FULL PROFILE →](#)

This morning, Brent Laskowski spoke with a repair services company in Virginia who needs mobile inventory management functionality for their warehouse and service vehicles.

“This is a repair services company, that operates out of one centralized location, with remote service technicians, and due to the fact that field technicians do not have access to inventory levels in real-time with Desco, they are searching for a new inventory management software solution. They are searching for a standalone, 10 concurrent user...” [\(MORE\)](#)

Lead #301708 [VIEW FULL PROFILE →](#)

This morning, Russ Davidson spoke with a medical device manufacturer in New Jersey who needs accounting capability.

“This is a medical device manufacturer that creates one single product with around 50 components. This contact is one of the founders of the company who desires a solution to meet his accounting and inventory needs. He needs an inventory solution with lot number tracking. This company does not utilize any software solution currently as they are a...” [\(MORE\)](#)

Lead #301693  [VIEW FULL PROFILE →](#)

This morning, Amanda Matusin spoke with a consulting company in Ontario who needs accounting capability.

“This is a professional services business that provides operations, sales, and marketing consultations for businesses in the hospitality industry. Until now, the contact has been manually keeping track of the financials, and is motivated to implement a solution to provide efficiency and organization for the business. He is just in the beginning...” [\(MORE\)](#)
